Step 1: Using our catalog, check for desired items and prepare a list. Have your library card ready and call the library to make a request with a staff member, or leave a voicemail and we will return your call shortly.

Step 2: You will be contacted when your requested items are available and a pick-up time will be scheduled based on availability.

Step 3: Please call when you arrive at the library and a staff member will bring your items to you in a plastic bag. You may pop open your trunk or unroll a window. Return items to the Book Return.

Any late fees incurred between March 17-August 31 are being waived on all library materials, but we ask that you return your items within three weeks of being checked out.

Thank you and have a safe summer!
